

TORRIDGE DISTRICT COUNCIL AGS DATABASE PRINCIPLE D

PRINCIPLE D

Determining the interventions necessary to optimize the achievement of the intended outcomes

	The Local Code should reflect the requirement of local authorities to:	Suggested systems, processes and documentation to demonstrate compliance	2019/20 Evidence of TDC Compliance
D3.4	Ensuring the achievement of 'social value' through service planning and commissioning.	Service plans demonstrate consideration of 'social value'	Torrige do not have a specific Social Value Policy. However, Torrige do consider social value as a key element across a range of services and contracts, and this is clearly reflected within other relevant policies:
		Achievement of 'social value' is monitored and reported upon	<p>The Responsible Procurement Strategy sets out how Torrige will meet its duty under the Social Value Act 2012 to consider how the services that we commission might improve the economic, social and environmental wellbeing of our area.</p> <p>The Sustainable Procurement Guide aims to educate and encourage others in the community and through our supply chains, to embrace sustainability principles, thereby impacting positively on local social welfare and the environment.</p> <p>The Local Plan contains aims to support strong communities, promote opportunities for an excellent quality of life, reduce social isolation, and provide a percentage of affordable housing. Section 106 monies are targetted at achieveing additional social value from major residential developments.</p> <p>The Indoor/Built Sports Facility Strategy and Action Plan aims to tackle social and econoimic deprivation</p> <p>Torrige owns a number of leisure facilities (including 3 swimming pools) which are run by its leisure contractors 1610. Leisure centre membership levels are monitored.</p>
