**To:** Licensing  
**Subject:** Support for the extended opening hours of The Waterfront  
  
**Categories:** Blue category

Dear Licensing Team,

I have recently become aware of the application for extended opening hours for the Waterfront in Westward Ho! I am in support of this as it will enhance the offerings in the area for locals and tourists alike. This will keep locals from travelling into Barnstaple in search of a night out and save them a whole lot on taxi fares. I also hope that the earlier opening will allow for those of us who like an early morning surf will be able to grab a hot drink and a bite to eat at a time when the rest of the village is closed...also a good option for families on holiday as young children wake up early.

Yours faithfully,

---

**Comments** Mr Braddock of the waterfront inn westward ho! Does try his utmost for the village he brings lots of business to the area people come from all over the country at Christmas and new year so please help him by extending the hours so people can have memories to cherish. The residents who live near to the inn could take steps to help themselves by using ear plugs for sleeping . If it wasn't for me Braddick the village would just of rotted away with no work or fun for anyone. Merry Christmas 🎄

Hi TDC,

Comments

I would like to show support for the proposed licensing hours at the Waterfront in Westward Ho! After reading them on the sign outside I think they will improve the area's image as a developing village and will help boost business by attracting more people during the extra hours. This is exactly what is needed, it's very in-line with the recent development and rejuvenation and will hopefully help to keep the improvements going.

Kind regards

**Importance:** High

**Categories:** Blue category

Hi Chris

I would like to enhance the reasons for support of Waterfront Inn increasing their licensing hours.

The Waterfront Inn is a popular local family pub and tourist location. The owners are proactive in increasing trade for all local traders in the area and acts to benefit the increase in demand requested by customers.

The increase in hours will enhance the functions held within the establishment and will not in my opinion have a huge impact on local residents due to the minimal increase being requested.

In my opinion tourism would remain in the local area from holiday establishments which can only benefit and enhance the entertainment in Westward Ho!

The owners of this local pub are proactive in supporting the local area and residents and I don't believe would do anything to jeopardise local residents security or be detrimental to their properties.

Mr Braddick runs well staffed and secure venues and acts very responsibly in the types of entertainment he provides all year round.

Therefore I support the request to extend hours and ask that the committee should find in favour of this application to extend licensing hours as requested.

Many Thanks
