**Subject:** Consultation: Devon and Somerset Fire and Rescue Service - draft Community Risk Management

Good afternoon,

Please see below email and attached letter from Chief Fire Officer Lee Howell, regarding the start of our draft Community Risk Management Plan consultation. If you have any questions please reply to this email and we will get back to you as soon as we can.

We have started consultation on our [draft Community Risk Management Plan](#) which outlines the risks in our communities and how we plan to manage those risks to make people safer. This is a regular review of our strategic plan, formerly known as the Integrated Risk Management Plan. The proposed draft Community Risk Management Plan will run from April 2022 until 2027.

We are capturing the views of people across Devon and Somerset [in an online survey](#) and would be really grateful if you would be able to arrange for this to be completed, please. The closing date is Friday 14 January 2022. Please also feel free to share through your networks and I have attached a poster which includes contact details if you or others you know may be unable to respond online.

More information can be found by visiting [www.dsfire.gov.uk/community-risk-plan](http://www.dsfire.gov.uk/community-risk-plan)

Many thanks in advance,

Lee Howell

Chief Fire Officer
