

REPORT OF Strategy, Performance & ICT Manager

To: Internal Scrutiny Committee

Subject: Review of the new QBR

Date: 14 December 2021

Reference:

PURPOSE OF REPORT:

For Members to receive the results from the survey for the review of the new QBR and decide on any areas for improvement

1. INTRODUCTION

Members will recall that at the meeting on the 20 April 2021 the Committee unanimously agreed to adopt a new style QBR (with a Trend Analysis Quarter 4 addendum) which aligned to the Council's newly adopted Strategic Plan.

2. REPORT

Following the Committees adoption of the new format it was agreed to review the new QBR format after a couple of cycles to see whether we have got things right or whether further improvements are necessary.

To facilitate this review an online survey was sent to: all Councillors, the non-elected members of Internal Scrutiny, the Strategic Management Team and the Operational Management Team. A copy of the survey can be viewed at Appendix 2.

3. IMPLICATIONS

Legal Implications

No specific legal implications

Financial Implications

Considered in the QBR

Human Resources Implications

None

Sustainability/Biodiversity Implications

None

Equality/Diversity

Not applicable

Risk Management

Not applicable

Compliance with Policies and Strategies

Not applicable

Data Protection (GDPR) Implications

No personal data contained within the QBR

Climate Change

There is a climate change measure in the QBR.

4. CONCLUSIONS

The results of the survey providing views on whether the new QBR has been an improvement in terms of the Council's performance reporting can be viewed at Appendix 1.

5. RECOMMENDATIONS

That Members receive and review the survey results and decide if they want to accept the following suggested change that was proposed at a previous meeting:

- BV064 Empty Properties - should this be moved just to be reviewed in the annual QBR4 Addendum analysis rather than leave it on a zero indicator?
