Resident of Great Torrington	Great Torrington	From my point of view as elector, all fine for Great Torrington. Residents well used to existing polling stations and they are convenient and well positioned for both ends of our town. No change, fine with that. New Street ,Torrington.
Councillor Chris Leather	Northam Orchard Hill	I cannot understand why Northdene is in area HZ1 when the rest of the streets in the area are in 1A Orchard Hill. Northdene is in Northam not Bideford and as it stands voters have to travel up to Northam Town Hall to vote in person rather than the closer Rugby Club.
